Dear Mr. Klimcsak:

This letter is in response to Carole Petersen's July 17, 2008 letters enclosing the EPA bills for oversight costs pursuant to the Administrative Order on Consent (AOC) for the Remedial Investigation/Feasibility Study (RI/FS) of the above referenced sites.

Pursuant to paragraph 77 of the AOC, Sherwin-Williams is requesting copies of documentation supporting the costs for each of the above referenced sites for charges pertaining to EPA's Response Action Contractor (RAC) and the State Cooperative Agreement (SCA). Specifically, we are requesting monthly invoices (including time sheets and expense vouchers), work assignment forms, statements of work, and monthly and other periodic progress reports.

If you have any questions regarding this request or wish to discuss, please contact me at 216-566-1794 or via e-mail at [mlcapichioni@sherwin.com](mailto:mlcapichioni@sherwin.com). In addition, Sherwin-Williams welcomes the opportunity to meet and discuss future oversight for this project. I will be in contact to set a date and time for this meeting.

Sincerely,

Mary Lou Capichioni  
Director, Remediation Services
